Let's just say, this is the team you want on your side – no bat-signal needed. You bring the questions. They'll bring the answers, and the plan to make your future at Central happen.

FAQs

I HAVE A QUESTION BUT I DON'T WANT TO TALK TO A PERSON.

First of all, not a question, but we've got you. Shoot us an email anytime at **admission@central.edu** or a text to **641-416-4414.** (Fair warning: You will leave here more than prepared and capable of picking up the phone. We can't promise you'll love it, but you'll be so great.)

HOW MUCH DOES IT COST TO ATTEND?

You can find this year's numbers at **central.edu/tuition** — we keep it updated. But here's the real scoop: We guarantee scholarships, and our financial aid team are super heroes at helping you figure out *your* actual cost.

WHAT WILL I DO ON A VISIT?

Choose your adventure. No, seriously. You tell us what you want to do during your visit! The options are (nearly) endless:

+ Tour campus.
+ Talk with your admission counselor.
+ Meet professors, directors and coaches.
+ Attend a class, rehearsal or practice.
+ Learn more about financial aid and scholarships.

OKAY, BUT *HOW* DO I SET UP A VISIT?

So glad you asked. Head to **central.edu/visit,** choose one of our visit events or pick your day and time, let us know your hopes and dreams for the day, hit submit and you're done. Easy peasy.

DO I NEED TO KNOW MY MAJOR ALREADY?

Nope. Not even close. Lots of students arrive still exploring, and that's totally normal. Central has incredible professors, academic success deans and whole teams of humans who love helping you find your thing — whether you know it on day one or day 101.

WILL I FIT IN?

Short answer: Yes.

Longer answer: Central is full of people who bring different stories, talents and quirks — which means there's room for yours, too. You'll find your people, your favorite spots on campus and your thing to get involved in faster than you think.

WHAT'S THE FOOD LIKE?

Let's just say this: People talk about it (in a good way). You'll find plenty of options, fresh meals and yes — legendary favorites that students swear by.
